### About Amaya Hills

One of the most beautifully situated hotels in **Sri Lanka** with panoramic views over the mist laden **Kandyan Hills**. **Amaya Hills** lies embedded in the mountains just a few miles from the historic **Royal Capital City of Kandy**. The architecture, interior design and staff costumes create the ambience of a palace in the hills and reflect the heritage of **Kandy** and a bygone era of **Sri Lankan** royalty.

### Rooms

Air-conditioned rooms with TV and IDD Telephone. Attached bathroom with bathtub. Individual balconies or terraces open to spectacular hillside scenery. 24 hour room service.

### Standard Rooms

With fine details borrowed from the temples and historic architecture of **Kandy**. Traditional sun and moon motifs. Furnishing in deep red and black with tinges of gold – colours that evoke the murals of the kingdom's earlier centuries.

### Junior Suite

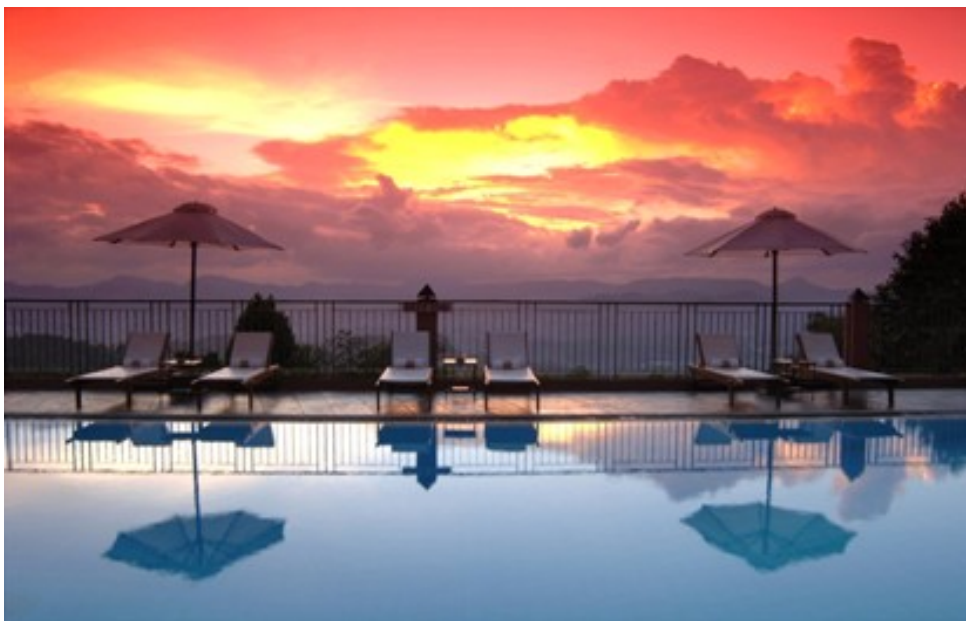

A spacious bedroom opens onto a sitting area, complete with a traditional wide **Kandyan** sofa-bed. A private sunset balcony for enjoying views throughout the day. Unique local touches to décor, such as wooden mirror panels depicting **Buddhist** stories and imagery from murals at nearby **Degaldoruwa Temple**.

### Suites

Each of the four **Suites** is named for previous governors of **Kandy** and features an antique noble costume encased in glass. Woodcarvings portray local religious imagery such as a dancing **Shiva** and celestial musicians. The suites are reached from the lobby or from the pool area via a stone staircase lined with natural boulders.

### Fine Dining

The **Rasawasala Restaurant** features **Sri Lankan** curries that bring out the flavours of local produce such as mango, avocado, baby jack fruit and rambutan fruit. International favourites include **Italian** homemade pasta, **Chinese**, **Indian** and **Japanese** cuisine.

Dine on the outdoor terrace or indoors below carved wooden ceiling panels and wall hangings of **Kandyan** spears and copper trays. Distinctive mahogany chairs are woven with rattan in original designs. The **Executive Chef** brings thirty years of experience of cuisine at cities throughout **Europe – Venice, Paris, Lyon**.

The air conditioned **Dumbara Bar** and **Kandurata Terrace** has breathtaking scenic views. A **Poolside Bar** is set against a backdrop of hills and valleys, and a **Jazz Bar** in a cave setting, recalls the long colonial history of **Kandy**.

The **Tea Room** is a warm and inviting setting to savour a cup of the world famous **Ceylon** hill country tea. Comfortable sofas surround distinctive tables. Large copper pots display dried tea beneath round glass tabletops. Sip an aromatic brew that only a few generations before was worth its weight in gold.

### Facilities And Activities

**Amaya Hills** features a large swimming pool with a stunning outlook over the valley and distant hills.

The **Billiards Hall** delights fans of both pool and cricket. Autographs from numerous international cricket teams on cricket bats around the room. Other sports facilities include water polo, table tennis and squash courts. **Le Garage** is an underground nightclub in a high mountain setting. The most modern corner of a very traditional resort.

Spectacular Location Of Amaya Hills

**Kandurata Terrace**

The **Ayurvedic Health Centre** at **Amaya Hills** is one of the best in **Sri Lanka** and you may choose facial massages, '**Pancha Karma**' well-being therapies or whole body oil immersion treatments.

**Amaya Hills** enjoys a location surrounded by nature. The resort naturalist, **Susantha**, leads guests in discovering the natural beauty and wildlife of the **Sri Lankan** hill country. Popular activities include jungle treks, river fishing and night safaris. With a vast number of birds, many found nowhere else in the world, the area is a favourite of professional and novice birdwatchers. A one hour expedition allows experienced birdwatchers to see up to 45 species. There are also opportunities for cycling and hiking in the mountains behind **Amaya Hills**.

Wi-fi access lets you surf the web throughout the resort.
