There are 3 villa houses in the estate as follows:

Saffron Villa / Suites - The main house which has a large central living room filled with books. A long terrace leads into two suites.

Cardomom Villa / Suites - Are made up of two large suites. Each suite has a double bed, bathroom, walk in wardrobe and a sitting room. The verandah, colonial-style banquette and chaise longue, faces the swimming pool and is comfortable for four persons or a family with children.

Cinnamon Suites - Consist of two splendid units. Each suite comes with a double bedroom, a bathroom, living room and beach-front terrace.

The two main villas are linked by a charming central courtyard. Meals can be eaten in a communal dining area, but are often served privately on your own verandah. There is a large garden with coconut groves. Relatively safe swimming is possible in the sea about 400m to the south.
