Fine Dining

The Brasserie - Bright, understated and very modern, this is an all-day dining restaurant. The menu offers a broad spectrum of international cuisine that has been showcased in award-winning restaurants at **Wafi City**. **Far East** fusion dishes - best sellers at **Thai-Chi** – are featured, along with popular pasta dishes from **Medzo** and **Biella**. The steaks rival the best in **Dubai** – at a much lower price – and tempting **Tiramisu** and **New York**-style cheesecake are freshly prepared at the in-house patisserie.

The Oasis Lounge And Bar - With its natural light by day and exciting lighting by night, this venue offers the perfect combination of cocktail lounge and wine bar. The top mixologist at **Ginseng** has been responsible for creating a cutting edge selection of cocktails and has enlisted the knowledge and experience of the team at **Vintage** to recommend a comprehensive wine selection from around the world - with many available by the glass. **Tapas**, a concept successfully introduced to **Dubai** by **Seville's**, takes on a global feel with diverse and tantalizing dishes. From shallow-fried quail eggs, baked whole **Camembert** laced with **Truffle Honey** and served with oven-fresh baguette to meltingly tender **Calamari** accompanied by **Aioli**, these are ideal dishes to share amongst friends.

The Pool Terrace - Accessed via **The Oasis Lounge And Bar**, the menu at **The Pool** offers a selection of lighter dishes, salads and sandwiches from **The Brasserie** and **The Oasis** menus. Special attention has been given to the refreshing cocktail selection that features long, cool and frozen drinks that are absolutely right for enjoying poolside.

The Deli - **The Deli** takes its theme from the delicatessens of **New York** and offers a range of freshly made sandwiches with healthy, organic and vegetarian choices plus salads, sushi and a selection of fresh juices and smoothies. With **24/7** service, **The Deli** also offers a range of guest amenities and souvenirs that can be purchased around the clock.
