

Blue Magpie Lodge

The Blue Magpie Lodge, Sinharaja

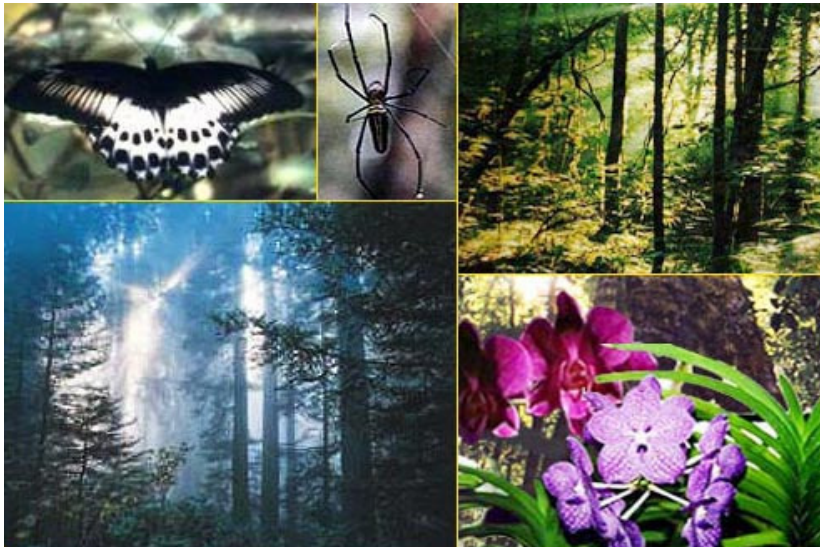

Rainforest Lodge

12 Rooms

At Sinharaja – South West

Location

The **Blue Magpie Lodge** is situated at the edge of **Sri Lanka's** most famous rainforest: **Sinharaja**. This huge virgin forest reserve, the home to a remarkable array of endemic species, is a **UNESCO-protected World Heritage Site** and an **International Biosphere Reserve**. The **Blue Magpie Lodge** is a basic property, but one blessed with a truly stunning natural location. The property has a friendly management team and the food is delicious.

Sinharaja Rainforest

Accommodation

Surrounded by lush forest, **Blue Magpie**, has 12 simple rooms with en suite bathrooms, all with hot water but no modern frills – this is a place for nature lovers.

Facilities

A restaurant serves delicious traditional **Sri Lankan** cuisine. The local guides and park wardens are extremely knowledgeable. Specialist guides can also be arranged. This is a bird-watcher's paradise with over 20 species endemic to **Sri Lanka** - **Orange-Billed Babbler**, **Red-Faced Malkoha**, **Ashy-Headed Babbler**, **Green-Billed Coucal** and the famous **Sri Lanka Blue Magpie**.
