Excursions include river cruises on the nearby **Madu Ganga** river and lagoon to explore mangrove marshes, islets and birdlife. Visits to **Hikkaduwa Coral Gardens** and nearby **Turtle Hatcheries**. Elephant rides on the beach.

The **Madu Ganga** river is a shallow water body which enters the sea at **Balapitiya**. Along with the smaller **Randombe Lake**, to which it is connected by two narrow channels, it forms the **Madu Ganga** wetland. Its estuary and the many mangrove islets on it constitute a complex coastal wetland ecosystem. It has high ecological, biological and aesthetic significance, being home to 303 species of plants belonging to 95 families and to 248 species of vertebrate animals. It may be one of the last remaining tracts of pristine mangrove forests in **Sri Lanka**. The inhabitants of the islets produce peeled cinnamon and cinnamon oil. You can also visit **Ma Duwa** village, prawn farms, sand mines and local blacksmiths in **Madu Ganga**.

Enjoy the unique experience of cycling through secluded **Sri Lankan** coastal villages. There are many cycling routes around the hotel which are virtually traffic-free, and will take you through a landscape of breathtaking natural beauty. The hotel provides excellent mountain bikes, which are suited to rugged terrain, on rent to guests. All bikes are regularly checked and maintained for maximum safety and comfort.
