#### Dining

The open-air restaurant is located on the first floor, where you can experience the exquisite kitchen with its delicious local, eastern and western dishes while enjoying a wonderful view of the emerald green fields on the nearby mountains.

#### Facilities

The **Hibiscus Garden Hotel** is located on the border of **Yala National Park** and **Tissa Wirawila Bird Sanctuaries** where mass tourism is an unknown word. This area of **Tissamaharama** is highly admired by nature and bird lovers due to its beautifully unique flora and fauna that it provides.

The hotel offers guests 12.000 qm of a large garden area where 1/3 of it remains as jungle providing the perfect retreat area for rare birds and species of **Dragonflies**. Jeep safaris or walking tours with local bird specialists can be organized by the hotel.
