

## Royal River Resort – Kithulgala

Royal River Resort In The Rainforest At Kithulgala

## The Royal River Resort, Kithulgala

### Small Luxury Nature Hotel

06 Rooms

At Kithulgala – Hill Country

### About The Royal River Resort

The **Royal River Resort** is a great value four bedroom hotel hidden away in the lush hills around **Kithulgala**. A twenty minute drive on windy country roads from **Kithulgala** town, it is a great place to sit back and relax and enjoy the fertile landscape of the wetlands as the river flows past your balcony. For the active there are many walks in the jungles and plantations which border the hotel - the staff will help you plan a route to suit. There are also caves in the area, an ancient temple and plenty of flora and fauna.

### Accommodation

The rooms are large and cozy, with excellent, spacious bathrooms. All rooms come with mini-bar and lounge furniture and log fireplaces in case it gets chilly in the night. There is an eclectic mix of artwork, books and furnishings around the hotel.

### Dining

A tastefully designed restaurant also overlooks the river and serves a variety of dishes.

#### **Facilities**

The hotel is eco friendly and has a great fresh-water swimming pool which overlooks the river as it flows over the rocks. Sofas and cushioned chairs are spread around the lounge area which also has a piano. The staff are friendly and hospitable and the atmosphere of the hotel in general is extremely relaxing.
