Luxury Chalet At Ulagalla

## Ulagalla Resort At Anuradhapura

*Ulagalla Resort*  
*A green bestowed... earthly sophistication...*

### Deluxe Boutique Hotel

25 Luxury Chalets

At Ulagalla – Cultural Triangle

### About Ulagalla Resort

The **Ulagalla Walawwa Resort** is built on the site of an old 'Wallauwa', or an ancestral home belonging to aristocracy, and is set amidst the **Kirapparan** village in the ancient kingdom of **Anuradhapura**.

The ancient capital city of **Anuradhapura** is 20 km from the property and it is extremely convenient to access the other **Cultural Triangle** and historic sites from **Ulagalla Resort**.

### Rooms

**Ulagalla Resort** consists of 25 elegantly laid out luxury chalets scattered over an unrestricted area of 58 acres. Most of the chalets overlook the reservoir while some overlook the flourishing paddy cultivation. The paddy fields give guests an opportunity to experience the traditions of paddy cultivation in **Sri Lanka** first-hand.

Chalet Living Room At Ulagalla

The Old Mansion

Chalet Interior At Ulagalla

Each chalet consists of a floor area of 800 sq. feet which include a separate living area. The chalets are furnished with elegance and comfort while combining state-of-the-art amenities and each chalet offers a tranquil courtyard and private plunge pool. There is a huge four poster bed, audio visual and communication facilities. The resort also has a **Presidential Suite** for more discerning customers.

#### Fine Dining

A team of highly qualified chefs create gourmet cuisine to suit individual needs of every guest. You can choose from traditional **Sri Lankan** or **International** menus. Meals are served in the first floor timber roofed restaurant or in the privacy of your chalet. There is also a coffee lounge serving snacks throughout the day.

### Facilities And Activities

The property boasts a 30 metre fresh water swimming pool and electric cars to shuttle guests within the vast compound.

An **Ayurvedic Spa** is available to rejuvenate the mind while an extensive **Fitness Centre** is available to rejuvenate the body. Recreational facilities such as horse riding, archery, billiards, canoe rides and many others are available. Go horseback riding through the fields for a unique experience at **Ulagalla Resort**.

The eco friendly resort was made using green building materials. The resort did not cut down any trees during construction and even planted 1000 root-balled trees on the property. Fresh organic fruits and vegetables are available to guests.

50% of the energy requirement is generated through solar power; the resort has the largest solar farm in the country with a capacity of 125 KVA.
